

# Clothing Order

To order any of the exclusive Eastbourne Electric Car Club race wear, please complete the form below and hand in to race control. All prices can be found in the club clothing catalogue and on the website [www.eecc.co.uk](http://www.eecc.co.uk).

All clothing is ordered with a local supplier who tries to supply our orders within 14 day. The club does have a minimum order requirement of 10 items per order, so there is sometimes a delay whilst we get enough orders to place our order.

Simply write the number of items required in the boxes below making sure you have the correct size and colour as we cannot rectify any order placed incorrectly once they have been embroidered.
